Dear Parents

We like to use children's photographs in the School Website, School Twitter (to be launched next year), various displays around the school and in newspaper articles relating to school life.

We also make recordings of key events in the life of the school. However, we will not include your son/daughter in these if we do not have written permission from you.

Please sign the attached permission slips and return to school to be held on our records.

Yours in partnership,

Mrs Michelle Monaghan
