Dear Parents,

As I send you my final Friday message, I share a quote from St Clare

**'Go forward securely, joyfully and swiftly, on the path of prudent happiness.'**

That is how I am moving onto my new chapter. I am able to do so because I have shared such a wonderful experience with you. The support and love that you and your precious children have given to me since my principalship began 21 years ago has provided me with the security, joy, energy and wisdom to know what is important in life. I am feeling today what I know we all strive to give to your children during their years with us, the roots needed to go out into the world confidently to make the most of every new opportunity.

***Thank you from the bottom of my heart, my life with you all has been a privilege!!!!!!***

I wish your families every blessing for a peaceful and blessed Christmas and best wishes to you all for a healthy and happy 2026!

Yours in partnership,

*Mrs Monaghan*
