ST CLARE'S ABBEY PRIMARY SCHOOL

PRINCIPAL'S WELCOME . . .

Dear Parents

We had such a lovely first week back at school. I thank you sincerely for the effort you have invested into ensuring that your children are beautifully dressed in correct uniform. They are a credit to you and to us. We love having them back and rejoice in how well they look and how much they have grown.

We warmly welcome our new additions to Nursery and Primary 1 who will be phased in over the month of September. We know your children will have a wonderful experience in our school and look forward to getting to know them and you!

I am excited to issue our first Newsletter giving you information and updates on the first term. We hope to release a similar Newsletter at the start of each term and would ask that you read each release. In future, we hope to release this digitally rather than in paper form, please let the school know if this would present a problem. We will compile a list of parents who require hard copies and will make the necessary arrangements.

Introducing . . .

POP The Peacock - We worked hard last year on our Rights Respecting School work. We have developed our new School Charter and will be working with all our pupils on each item of our Charter. Please speak with your children about the importance of all these points and ensure that they are fully understood and carried out on a daily basis.

Important Stuff

School 'App'

We ask each parent to sign up for the St Clare's Abbey 'app'. This will be the first method of communication with parents for updated information in relation to school matters.

Please go to 'Play Store' or similar and search for St Clare's Abbey. Download onto your device. Please sign in as a parent and tick each Class Teacher associated with your child/children. Also please tick any other activities that may relate to your child/children. If you are having difficulties, please contact the school office.

Contact Information

It is very important that you contact the school with any updated information in relation to change of telephone numbers or addresses. We request at least 3 contact names in case of emergencies.

School Grounds

Once again we remind parents of the need to drive carefully into the school grounds and to be aware of the school crossings. The school operate a 'drop-off' zone for pupils. Parking is not allowed in school grounds and particularly not in the drop off zone or bus parking areas.

Please park carefully outside of school grounds. A crossing patrol is available on Courtenay Hill.

'No Nuts'

Due to severe allergies, our School operates a strict **'NO NUTS'** Policy. We also have one P1 class in which we are making arrangements to manage a **dairy allergy**. Parents of pupils in this class have been contacted.

Achievements

We are delighted that in conjunction with the School Council we raised **£6,401.59** last academic year for the following charities: KBRT, Lions, African Project, Trocaire, NI Children's Hospice, Southern Area Hospice, SVP, We thank everyone for their generous support.

Sports Fundraising Event

As school budgets have been cut nationwide in the last few years, we intend to hold a **sports fundraising event** on **27 September** to raise funds to allow us to **employ 'Active Kids'** to come to the school to carry out a range of multi-sports with our children. Sponsor cards will be sent home this week and we encourage support for this event.

Many prizes will be on offer including a bike, jersey, footballs and skipping ropes. **It promises to be a great day!**

And so:

You're off to great places.

Today is your day.

Your mountain is waiting,

So get on your way!
