CUMANN LÚTHCHLEAS GAEL SEAMRÓGA AN IÚIR

Deireadh Fómhair 2018

A Chairde,

Seamróga an Iúir is delighted to announce details of its Annual Winter Training Programme. The programme will run for ten weeks, beginning on Friday 9th November 2018. The cost of the programme is £10 per child, (payable as a one off fee on the first evening of registration.) The programme is open to any boy who is currently in Primary Five or Six.

This year the programme will be based in the Newry Sport's Centre INDOOR Sports' Hall. The sessions will begin at 7:30pm and finish at 8:30pm. Parents are asked to bring their child to the Sports Hall with all of the registration details overleaf filled in. Parents mobile numbers will then be added to a 'What'sApp' group that will post any changes in arrangements that take place from time to time.

This is the sixth year of this Programme and it is hugely popular because it builds on the work being undertaken in Primary Schools with the Ulster GAA scheme. Primary five and six pupils will be coached by some of our experienced primary school coaches and prominent senior footballers, and will include occasional visits from current intercounty GAA Stars. This groups will learn some of the basic skills of Gaelic football, through playing fun games, novelty races and structured play.

The feedback about the programme over the years has been fantastic and we are certain that your child will enjoy playing for their local club.

Registration will take place on Friday 9th November from 7.. A registration form must be completed for new players on the programme, those currently in receipt of notifications from the club need not fill in new forms.

If you need any additional information contact, Seán Gallagher (sgallagher935@c2kni.net). We look forward to welcoming your child to the Winter Programme for what we promise to be a fun-filled and enjoyable introduction to Gaelic Games,

Is Mise,

Seán Gallagher.

(Winter Programme Co-ordinator.)
