Dear Parents,

Schools have received confirmation from the Minister Of Education at lunch time today that they are to close from Monday 19th to Friday 30th October inclusive. We have been informed that **Home Learning will not be provided for the duration.**

Some closures planned for later in the year, will now be cancelled, in lieu of extra days taken at Halloween but I will keep you informed once I have had a chance to work on this with my Senior Leadership Team.

A letter has been sent home re School Flu Vaccination Programme. Please return responses tomorrow if possible or by Friday at the latest as we need to pass these to the School Nursing Team. It is important that you complete and return even if you do not wish your child to have the vaccination.

Thank you for your assistance,

Mrs Monaghan.
