Dear Parents,

I hope all is well with you and your family. Thank you for working hard with your children this week. I do acknowledge that many families are being challenged and at times it can be frustrating.

However, we have 'Supervised Learning' and 'Learning from Home' up and running and all 'teething problems' appear to be sorted.

We are now embracing Microsoft Teams and so a big thank you to all who have joined. It has worked well for many of our children and over the course of the next couple of weeks we will try and get more children connected.

Please note that until further advised, any emails that would have been made to Mrs Monaghan should be made to Mr Sweeney on esweeney242@c2kni.net or a call made to the school office.

Have a nice weekend,

From all in St. Clare's Abbey
