Good morning parents,

We are really galloping through June at this stage and school life is action packed. I have a few things that I would like to draw your attention to:

First: I would like to commend you on your children's behaviour at each of our school trips. They had a wonderful time but always remembered that they were ambassadors for our school - **I was extremely proud of them and wished to pass the compliment on to you, their parents.** I thank our staff for offering the children these opportunities.

Second: This week in our parish the **Corpus Christi procession will be held on Sunday 19th June at 3pm.**

Please see message below from Canon Brown. It would be wonderful if P4 & P7 children (wearing their sacramental clothes) could participate. It is a long standing tradition in our church at which we give thanks for the gift of the Eucharist, given to us by Jesus.

The annual Corpus Christi procession can go ahead this year, thank God. It would be lovely if as many children as possible were able to take part in the procession.

This year the procession begins at St. Mary's Church and makes its way to the Cathedral where there will be benediction of the Blessed Sacrament.

I will be there myself and hope to see lots of our children, accompanied by parents, gathered at St Mary's Chapel to be part of it.

Third: Congratulations to Mr Byrne and our Eco Council. We have been awarded a further Eco Schools flag in recognition of our work. I will be taking representatives to Warrenpoint Town Hall to receive our award today. Taking care of our world is a very important part of life within St Clare's Abbey, inspired by our special saint, St Francis.

I wish everyone a happy weekend,

Yours in partnership,

Mrs Monaghan
