

16 January 2023

Dear Parents/guardians,

You are invited to attend a Paired Reading information session on **Tuesday 17th January at 1.15pm.**

The session is aimed at parents/guardians of P2-P7 children and should last only 30-40 mins. During this session we will explain the Paired Reading Programme which is completed daily at home over an 8 week period. Paired reading is a child centred reading approach which involves the adult and child reading together each day.

***It has been proven to raise attainments in reading. In fact, recent years have seen children achieving up to 2 years gain on reading age.***

I would urge you to take the time to commit to paired reading and have no doubt that it will be enjoyable for both you and your son/daughter.

I look forward to seeing you then. Please come to the school office when you arrive and you will be directed to the venue.

Many thanks,

Mrs Donnelly
