Dear Parents/Guardians,

This year the whole school will embark on a monthly parental/child home-school research project. This will give parents the opportunity to work closely with their child each month on various topics. For the month of October the parental/child home-school project will be based on the current refugee crisis that is so topical on the news at the moment.

Children can research at their own ability level the current crisis and gather information and pictures based on the causes and impact of the crisis. They can use newspaper cuttings and pictures in their recordings - whatever you feel you would like to use and however you would like to record it.

The project will be collected after a few weeks and a new project will begin.

We thank you in advance for your support on this project and look forward to seeing the end results!

Kind regards

Mrs K Doherty
