Good morning everyone,

I hope that you are well and that 'Revision Week' has offered you all an opportunity to slow down a little and just breath

Today was the day scheduled for our May Procession and it looks as if the weather would have been on our side. If you have time, an additional May Procession recording has been uploaded to the home page of the website- last year's, it is really lovely and hopefully it will bring you a few moments' pleasure to watch it with your child/ren.

This week is Mental Health Awareness week, which emphasises the importance of kindness so I alert you once again to the Relax Kids section on the website and the Learning From Home/Coronavirus & Us section which contain lots of good, relevant publications. Aesop wrote:

'No act of kindness, no matter how small is ever wasted'

This is something that I know you and our staff try to show the children at all times.

I end this week with a fun suggestion; Our fabulous school council had planned Friday 22nd as a fundraising day with the theme being 'Inside Out/ Back to Front/Opposites ' day. It would be lovely if you could go ahead with this plan and send in photographs of your outfits to the school website stclaresabbey@gmail.com. I would love to see them.

Best wishes to you and your family, have a lovely week and watch out for teachers' work posts which will be back to the usual for next week.

May Mary, Our Blessed Mother guide you and your families throughout this week,

Mrs Monaghan
