

# February Message - Safer Internet Week

In February we celebrate Safer Internet Day. This year the theme is about trusting what we see on the internet. Here are some top tips to help keep you safe.

1. Don't talk to a stranger.
2. Don't give your details to strangers.
3. Don't interact with strangers.
4. Don't send a photo to a stranger.
5. Don't tell a stranger your age.
6. Don't meet a stranger if you are alone.
7. Don't look at inappropriate photos from strangers.
