

**Are you currently unemployed ?
Do you need maths for a job ?**

WORK IT OUT

A new essential skills course helping those unemployed and economically inactive to get a maths qualification employers will recognise.

find more information on our website
www.people-1st.co.uk

These essential skills numeracy classes can be life changing.
If you struggle with daily tasks like:

- » help with homework ?
- » work out bills ?
- » do family budgets ?
- » go to the bank ?
- » calculate quantities for D.I.Y projects ?

We can help

To give you the maths skills and confidence needed for every day life and help you get employed. We also provide job mentoring and cv preparation as part of the course.

- » Essential Skills Numeracy (Maths)
- » Free for those unemployed (economically inactive)
- » Learn at your own pace
- » Level 1 and Level 2 qualifications
- » Available across NI online
- » Classes are small and informal

Available in person

Within selected council areas:

- » Belfast City Council
- » Lisburn and Castlereagh City Council
- » Armagh, Banbridge and Craigavon
- » Newry, Mourne and Down

GET STARTED TODAY!

So if you live in NI and would like to find out more about these classes then please get in touch with People 1st **Work it Out** Project Manager Cathy Norris at c.norris@people-1st.co.uk
